Lauretta did the flowers for our wedding and she was an absolute dream to work with. She made the process so simple and stress-free and is just a lovely person! The flowers were absolutely beautiful, and we received so many compliments on them. The bouquets especially were just a joy to hold I can't recommend Lauretta enough.

I would highly recommend Lauretta. Our wedding flowers were just perfect & just how I'd imagined them. Our wedding date was changed 3 times due to COVID & Lauretta was amazing when we had to rearrange! Nothing was too much trouble. Thank you so much! X
